

Annual High School Art Show Competition & Young Artist Showcase

This non-juried art competition show is open to all high-school students—including home-schooled, public, and private high school students, grades 9-12—and also offers an opportunity for younger artists to display artwork in the (free) non-competitive Young Artist Showcase.

The focus of this show is to encourage young artists to share their artwork, continue the process of learning and improving artistic techniques, and experience participation in a competitive gallery show while expanding their minds through the creation of art.

Open entry dates are Friday, February 16th, and Saturday, February 17th from 12 pm to 4 pm both days. Entry and guideline information can be found by clicking [HERE](#).
