- have fun with friends and family
- to meet and interact with new friends

- relax after a hard day
- and to discover your inner artist!

Paint along with our experienced instructor, Karen Pitts, to create your one-of-a-kind painting and then take it home to enjoy. All painting supplies are provided; no art experience is needed. The class is \$25.00 per person.

Treat Your Palette will be offering a different painting project class every third Saturday at Harlin Museum. The project for the 10 am-12 pm Saturday, August 19th class is a *Rustic Chicken* (as pictured above).
